3R Rescue

Every day, dogs of all shapes and sizes are brought to local animal shelters. Many shelters are overcrowded and under resourced, lacking the staff to give the animals the attention they need. Dogs in these situations can become frightened and stressed, adopting behaviors that can make them appear unadoptable. **3R Rescue** in Winters works to give dogs like these a second chance via a three-part mission: to **rescue, rehabilitate, and re-home dogs in need**. DavisGIG

As a committee of the non-profit Davis Community Network, **DavisGIG** is advocating for a community-owned fiber-optic network for Davis—a network enabling faster, less expensive, safe and reliable Internet for Davis homes, businesses, and schools. A community-owned fiber-optic network brings many benefits:

- Users can select from a variety of service providers.
- Communities can attract businesses that need high Internet speed and security.
- Communities can also capture revenue by leasing network access to private companies... It's a win-win-win!
